II. OPERATION OF THE PROCEDURE

1. Croatian Chamber of Midwives compares the documentation of the professional qualifications of candidates with the professional qualifications prescribed in the Republic of Croatia as a condition for performing midwifery activities.

General procedure:

If the conditions for recognition of a foreign professional qualification are not fulfilled, that is, there are significant differences between the professional qualifications of candidates and the professional qualifications prescribed for midwifery in the Republic of Croatia, and the documentation is complete:

1. Croatia Chamber of Midwives invites the candidate to the conclusion that within 30 days, he / she shall declare in writing the choice of one of the supplementary measures:

a) an adjustment period of up to three years

b) Competency check (exam)

* The candidate submits a written statement on the choice of a supplementary measure with a handwritten signature on e-mail komora@komora-primalja.hr

2. Croatian Chamber of Midwives shall, within 60 days from the date of the candidate's statement on the choice of a supplementary measure, adopt a provisional decision determining the candidate's supplementary measure.

3. The candidate is invited to take the examination of competency examination within 6 months from the date of the provisional decision.

4. If the candidate fails the examination, he / she may apply for the examination again within 15 days from the day he / she failed the examination.

5. If the candidate fails to pass the competency examination examination within 6 months, the Croatia Chamber of Midwives shall reject the application by decision.

III. ISSUING A DECISION ON RECOGNITION OF A FOREIGN PROFESSIONAL QUALIFICATION

The solution may be:

1. Full recognition

2. Rejection

3. Dismissal

The decision on the application for recognition of a foreign professional qualification shall be submitted to the candidate within 3 months from the date of receipt of the valid application at the latest.

The decision-making deadline for the recognition of a foreign professional qualification may be extended by up to 1 month in particularly justified cases.

An appeal may be lodged against a decision in the process of recognition of a foreign professional qualification to the ministry responsible for health within 15 days from the receipt thereof. The complaint shall be submitted through the Croatian Chamber of Midwife in triplicate.

IV. PAYMENT OF COSTS

The cost of implementing the supplementary measure shall be paid by the candidate prior to the commencement of completion of the supplementary measure, ie the passing of the examination.
